This form, heretofore, [REDACTED] as a 4 part padded set, will be purchased on a competitive basis as a 4 part NCR set from a commercial manufacturer. Estimates received for printing this form commercially compared to having the work done in the Printing Services Division have been very revealing. The low estimate for printing 2500 sets commercially on NCR paper is \$78.75. The estimate furnished by PSD for the same thing is \$154.52. The estimate from PSD for continuing to print as a 4 part padded set is \$112.25.
